### TECH SKILLS

#### Frontend

#### Backend

#### Database

#### Dev / Tools

#### CURRENTLY MASTERING

★Laravel & Next.js

### SOFT SKILLS

Problem Solving

Project Management

Documentation

Collaboration

Code Review

### EDUCATION

Arbaminch University

Bachelor of Software Engineering

2023 — Present

Great design is invisible; it serves as a silent guide to the user's intent. Code should be an extension of that philosophy—clean, efficient, and purposeful.

### Experience

- Full Stack Developer** Jan 2026 — Present
  - Expanded cloning projects with advanced backend logic and database integration.
  - Developed additional full-stack projects, including dashboards, e-commerce systems, and CRUD applications.
  - Leveraged React, Node.js, Express, MongoDB to create scalable, maintainable solutions.
  - Managed end-to-end project development: UI design → backend integration → deployment → user testing.
- MERN Stack Developer** Oct 2025 — Jan 2026
  - Developed full-stack applications using MongoDB, Express, React, Node.js (MERN).
  - Completed Amazon Clone: Implemented product listings, cart functionality, and payment integration.
  - Completed Netflix Clone: Developed a dynamic interface with movie listings and authentication.
  - Built backend APIs for data persistence, user authentication, and secure interactions.
  - Gained experience in RESTful API development, state management, and deployment.
- Frontend / Web Developer** Jun 2025 — Oct 2025
  - Built responsive web applications using HTML, CSS, JavaScript, and React.
  - Developed a Travel Landing Project showcasing destinations with smooth UI components and animations.
  - Created a User Management System for registration, updates, and tracking users.
  - Focused on performance optimization, cross-browser compatibility, and responsive design.

### Technical Expertise

FRONTEND	React.js, JavaScript (ES6+), Tailwind CSS
BACKEND	Node.js, Express, RESTful APIs, Auth/Authz
DATABASE	MongoDB, MySQL, NoSQL Architecture
DEV / TOOLS	Git, GitHub, CI/CD, Vercel, Docker
